ORIGAMI ANSWER CARD

Folding Instructions: To "crease" means to fold and then open again. To "fold" means to fold and not open.

1. Crease along ① in both directions and tear off these instructions.
2. With front down, fold corner to corner to put crease along ②. Do the same with other corners to put crease along ③.
3. With front down, fold corners along dashed lines - - - - so that all arrows → point to the center.
4. With arrow side up, crease again along ② and ③.
5. With arrow side down, crease along new diagonals ④ and ⑤.
6. With arrow side up, bring all corners marked with ⑥ up together.

To Use: Open to desired answer. Hold answer in palm toward instructor.
